60 years of NATO- Enemy of the Peoples and of Peace Dismantle it!

March 1, 2009

Invitation

Dear comrades and friends

NATO is completing 60 years of crimes against the peoples and against humanity.

As you all know the WPC is running a campaign against NATO on the occasion of its 60th anniversary and the summit to be held in the German city of Baden-Baden and the French city of Strasbourg on 2nd -5th April 2009.

Apart from the activities on national level in various NATO member states and elsewhere, the WPC is co-organizing and supporting during the coming period many activities on the above subject. An European conference in Berlin on March 14-15 hosted by the European Peace Forum, an American continental conference in Buenos Aires on March 19-20 hosted by the MOPASSOL of Argentine, an International conference in Belgrade on March 23-24 hosted by the Belgrade Forum for the world of Equals.

The counter summit activities of Strasbourg are being organized by an International Organizing Committee which has issued an appeal endorsed also by the WPC.

The WPC will actively participate in those events, organizing a seminar in the framework of the Conference on April 3 in the afternoon with the subject: **"The bombing of Yugoslavia as precedent case for the future crimes of NATO"**, at the conference location in Strasbourg (details will be sent to you later). The WPC will also participate massively with its members and friends in the protest demonstration on 4th April in Strasbourg.

We are inviting you to send delegates to the WPC activities in Strasbourg. We are in the happy position to inform you that the WPC will be able to cover the accommodation (Breakfast&Dinner) for one or two delegates from your Organization in Strasbourg from April 2 till April 6 in the morning. Despite the limited resources and taking into account the amount of obligations this period for all of us we will be able to cover also the international travel expenses (inside Europe) for one (1) delegate for each organization to Strasbourg upon consultation with each case. Since there is not much time left, we kindly ask you to confirm the soonest possible your participation under wpc@otenet.gr to start the preparations.

In case you will be in need of Shengen Visa, please communicate to us your passport details in order to receive personal invitation for the French Diplomatic Missions.

Looking forward in receiving your kind confirmation
Comradely yours

Thanassis Pafilis
General Secretary WPC

Technical information:
